Kindergarten for NEXT School Year!

ENROLLING YOUR STUDENT FOR KINDERGARTEN FOR NEXT SCHOOL YEAR!

If you were unable to attend Kindergarten Round-Up and have a child ready to begin school in the fall, you can call the school office at Schickler to register your child and set up a time for kindergarten screening. Please call 810-667-2440 to make an appointment as soon as possible.

Please feel free to share information with families that may not have children in school yet!

2nd Grade Academic Service Learning Project

The second graders from Mrs. Fisher's and Mrs. Carter's classes continue to be inspired by McLaren Cancer Center and their patients. Recently, they visited the center and heard from a very special guest speaker who is undergoing treatment. The goal is to continue to make extra warm comfort blankets for patients undergoing treatment to show how our students support their battle against cancer.

A big thank you to the Asaro family who donated handmade hats and scarves to touch the lives of others.

Spring Musical May 23rd!

SAVE THE DATE! May 23 at 6:30 pm

The second graders will be performing the annual second grade musical! They will be performing "Hats!" This is a musical that celebrates the different "hats" people wear in their lives. The second graders have worked for months on this production, and they would love to see you at the performance.

Please join us for this musical celebration!

“A Musical That Celebrates What’s Underneath.”

School Carnival Volunteers Needed!

If you are interested in helping with this year's Spring Carnival on FRIDAY, JUNE 9, please call Julie McCallum at 810-667-2440.

Morning Bell Schedule Reminders

Students may enter the building at 8:05am to eat breakfast. Please do not drop off students before 8am as we have no supervision. Those not eating breakfast are to arrive at 8:20am and go directly to their classroom. **The tardy bell rings at 8:24am.**

Arriving on Time and/or Leaving Before Dismissal

When your student arrives late to school (after 8:24am) OR leaves school early, they miss valuable instruction time and disrupt the classroom environment. Students are expected to be on time to school each day and be ready for class to begin. Regular and timely attendance at school teaches responsibility and self-discipline.

Student Pick-Up: Safety/Security Reminders

Always have your photo ID ready if you are picking up your student from school. If someone else is picking up your child, they must also have photo ID **and be listed on your child's emergency card.** Thank you for helping keep your child safe at school!

Student of the Month

Winning students were chosen by their classroom teachers for this prestigious award for having a positive attitude, excellent behavior, high academic standards, being cooperative, respectful, and true leaders. Students enjoyed a pizza luncheon with the principal, Mr. Warren, to celebrate their accomplishments.

YOUNG AUTHOR'S LUNCHEON RECOGNITION

Colby was Schickler's representative in the Michigan Reading Association's *Kaleidoscope* publication. *Kaleidoscope* features student author's from around the state. He was honored at the Michigan Reading Association's annual conference in March during a Young Author's Luncheon. Colby is a First Grader in Ms. Mason's class.

WAY TO GO, COLBY!

Post-Event News: Jump Rope for Heart

During the week of February 27th, Schickler Elementary Physical Education students participated in the annual Jump Rope for Heart Event. During regularly scheduled P.E. classes, the students participated in a variety of jumping activities.

Students in grades 3-5 attempted to jump rope for 3 minutes. The students who achieved this goal included: Jacob Fisher, Kadance George, Skylar Beardsley, Lucas Freeman, Dominic Hudson, Julia VonKnorring, Brooklyn Bierbusse, Ava Dwight, Ashton Dwight and Danyella Denton.

The kindergartners through 2nd graders had a long rope competition and the class champions were: Dylan Tenbusch, Chloe Brazelton, Carter Smith, Dakota Redmond, Aubrey Kelley, Brevin Smith and Zane Sanchez.

Student Placement Request Forms

Based upon teachers' knowledge of each student, they work as a team in the placement decisions for the coming year to ensure balanced classrooms. Our goal is for your child to receive a placement that best meets the needs of their learning style.

Factors considered when making student placement decisions include, but are not limited to, the following: academic ability, special instructional support needed, peer relationships, ratio of males to females, general work habits and behavior. Therefore, a request is not a guarantee. Student Placement Request Forms are available on line at www.lapeerschools.org or in the school office. All requests are due by May 12, 2017.
