## Any Season is a Giving Season!

The Second and Third graders from Mrs. Carter, Fisher and Farley's classrooms made their first round of chemotherapy comfort blankets and holiday cards for the McLaren Karmanos Cancer Center. These will help keep cancer patients warm during regular treatments.

We are so proud of how these students give back during the holiday season. ***If you wish to purchase or donate the fleece material for this on-going special project, please contact any of the above teachers.*** As part of our Academic Service Learning, students went caroling and crated special ornaments in December.

## Cold Weather Reminders – Dress for Outdoor Recess!!

Please remember to send your child with warm outerwear including boots for recess.

***Please put your child's name in all clothing!***

Students go outside except on rainy or severe weather days or when the temperatures are below zero degrees with the wind chill factor. Doctor notes should accompany any parent request to keep a student indoors. Children who are too ill to go outside should be kept home that day. (Student Handbook page 13)
